## DESCRIPTION

Blue Dream is a Sativa-Dominant Hybrid strain that is a potent cross between the hugely popular Blueberry x Super Silver Haze strains. Users describe the Blue Dream high as having an immediate onset of an uplifting cerebral head high that leaves you completely motivated and focused with waves of creative energy that hit quickly and hard. This is accompanied by a mellow relaxing body high that leaves you warmed, numb, and completely pain free.

## PARENT #1: Blueberry

**Indica-Dominant Hybrid**

**Breeder:** DJ Short

**Lineage:** Afghani x Thai x Purple Thai

Blueberry is an indica-dominant hybrid strain. This bud has been traced back to the early 70's when the famous American breeder DJ Short started experimenting with different landrace strains. Blueberry is thought to be descended from Afghani x Thai landrace strains, and is one of the most popular strains on the market.

## PARENT #2: Super Silver Haze

**Sativa**

**Breeder:** Green House Seeds; Mr. Nice

**Lineage:** {(Haze x Haze) x Skunk #1} x {(Haze x Haze) x NL 5}

A legendary sativa originally bred by Green House Seeds in Amsterdam, Super Silver Haze was known to be the king of sativa in the 90s. It has a genetic backbone that is heavily haze with some Slunk #1 and Northern Lights #5 mixed in. Expect heavy cerebral effects from SSS that want to make you get up and move.
