PREDOMINANT TERPENES

Limonene Myrcene

DESCRIPTION

Pacific Peach, bred by legendary Maine breeder The Captains Connection, is a cross between their “Peach Panther” (Peach Ringz x GWIZ) and the red hot “Banana Bread” (Strawberry Banana pheno) selected by another Maine cultivator Lonley Bones. This strain boasts wonderful lime green florescence and have a limonene forward taste with undertones of myrcene and garlic from the GMO deep in its lineage. Expect this strain to leave you chill and stoney. If you are looking for a “classic” cannabis experience, Pacific Peach will provide that for you.

PARENT #1: Peach Panther

Hybrid

Breeder: The Captains Connection

Lineage: Peach Ringz x GWIZ

“Peach Panther” bred by The Captains Connection out of Maine is a cross of “Peach Rings” and “GWIZ”. This strain is reported to have a sweet and sour terpene profile with effects similar to GMO.

PARENT #2: Banana Bread

Hybrid

Breeder: Lonley Bones

Lineage: Strawberry Banana Phenotype

Currently at the the top of mountain of cannabis in the state of Maine is “Banana Bread”, a phenotype of “Strawberry Banana” selected by Maine cultivator Lonley Bones. “Banana Bread” stays true to its namesake in that it does indeed smell of banana bread. Its effects are unmistakably euphoric and relaxing. Expect “Banana Bread” to be one of your go-to strains in your head stash.
